

RECYCLING ISSUES - We will be charged for not recycling correctly as noted here: \$79 /yard when our containers are **contaminated with food/liquid waste** and up to \$260 each time we **overfill** a container. All material must fit inside the container and lids must be fully closed to avoid these charges. If they take away our recycling, our dumpster collections will **double** along with our **costs**! Please follow these rules:

THREE BASIC RECYCLING RULES

RULE 1

Recycle **CLEAN** bottles and cans. (with this symbol ♻️) as well as paper and folded cardboard or corrugated cartons. Save space and crush your plastic bottles.

RULE 2

Keep food and liquid out of your recycling.

RULE 3

No loose plastic, plastic bags, and **NO Bagged recyclables.**
